Abersoch Holidays, Mur Cwpwl, Cilan LL53 7DB
Date assessment was carried out 01.07.2020

Potential Hazards

- Contamination of the accommodation by guests who are asymptomatic or who develop symptoms whilst in situ.
- Transmission of the virus between guests or between guests and contactors/suppliers.

Who is at Risk?

- Other guests on site in adjacent accommodation or on site with subsequent bookings, particularly the elderly or those with underlying health conditions.
- The wider public locally.

Actions to Control Risk

Anybody who is exhibiting symptoms or who has any reason to believe they may have come into contact with the virus up to 14 days prior to their booking must follow the Government instruction to self-isolate, and follow NHS guidelines. Therefore not arrive at the accommodation.

Guests that are already staying the accommodation that show any symptoms must notify Abersoch Holidays management immediately and vacate the accommodation to self-isolate at home.

Contractors who are exhibiting symptoms or who have reason to believe they may have come into contact with the virus within the previous 14 days should not come into the properties and should follow NHS guidelines.

We will ask all guests to follow guidelines on social distancing. It is relatively easy for guests to avoid contact with each other.

Guests should arrange for groceries to be delivered to their accommodation to avoid trips to the supermarket if possible.

Guests are advised that there may be severely restricted opportunities to eat out at this time and should prepare to self-cater. A list of local restaurants, cafes and pubs who are offering takeaway menus can be provided if requested.

Implemented Changes to cleaning policy

We always strive to maintain extremely high standards of cleanliness in all our properties at Abersoch Holidays, we are implementing extra hygiene procedures during changeovers. This will affect check in and check out times.

We will:

- Amend our check in and check out times to 9;30am departure, 6pm arrival.
- Ask guests to strip their own beds and put used linen in bin bags provided.
- Ask guests to empty all bins and place tied bags in external waste bins.
- Dispose immediately of any lost property left by guests.

Under normal conditions we also strive to maintain high standards of sustainability. We recognise that at this time some sustainable practices will need to be compromised. For example, washing and reusing cleaning cloths and using mostly natural cleaning products.

We promise to resume these practices as soon as it is safe to do so.

This policy will be reviewed monthly until the threat of Covid-19 threat has passed.
